THANKS & PRAISES

ASHA D & ARTIKAL BAND

Asha D comes to offer you a brand new project, composed with **Artikal Band**.

We are delighted to present the first track

"Thanks and praises"

Two common words in the Jamaican vocabulary to give praise to the creator and thanks heaven and earth.

A reggae, roots, one drop track to send blessings and positive vibes around us all.

A deep conviction: that the people unite instead of dividing.

It's a new step for Asha D and Artikal Band.

Usually, it is in backing band mode that they go on stage for many artists from the French and Jamaican stage and in particular Yaniss Odua (fr) since 2010.

**This time they are getting ready to send Asha D, also the band's drummer,
to the front of the stage!!**

Musicians: Bass: Fabrice Fabulous Duféal, Drums: Asha D, Guitar: Ilon Ba,

Synth: Gregory Doc Fouilloux, Keyboard: Flora Sicot Backing vocals: Marie-Annick Nsilulu

Distribution: Baco Record
